IV THERAPIES

THE CENTURION

This elite longevity drip works at the deepest cellular level to restore energy, sharpen the mind and awaken a sense of vitality from within. Feel energised, uplifted and renewed. Perfect for when a full body reset is needed.

KEY INGREDIENTS: NAD+, METHYLENE BLUE, SALINE
PRICE: £476

THE CLEANSE

This deeply restorative drip is designed to counteract damage to the body. It works by flushing out cellular toxins and reducing oxidative stress, leaving you with a profound sense of lightness and clarity.

KEY INGREDIENTS: METHYLENE BLUE, VITAMIN C
PRICE: £396

APEX

Developed for high performers, this extraordinary drip sharpens cognition, accelerates recall and creates a quality of focus. Step into a state of effortless mental mastery and enjoy clearer thoughts and improved performance.

KEY INGREDIENTS: CEREBROLYSIN, NAD+, DEXTROSE
PRICE: £440

NOOTROPIC AND REPAIR

This advanced cognitive drip is formulated to amplify mental performance at its source. It helps to enhance neurotransmitter function, strengthen the memory and promotes a sustained state of sharp and effortless clarity.

KEY INGREDIENTS: PIRACETAM, CDP CHOLINE, SALINE
PRICE: £396

ALIGN

This single-purpose drip has been created to help you centre yourself and focus on precision. It is the perfect choice for when you need to feel calm, clear and completely present.

KEY INGREDIENTS: PIRACETAM, SALINE, ELECTROLYTES
PRICE: £380

IV THERAPIES

ANTI-AGEING

This refined longevity drip works quietly beneath the surface to help protect cells from damage, calm chronic inflammation and supporting the biological processes that keep you looking and feeling your best.

KEY INGREDIENTS: RESVERATROL, SALINE, ANTIOXIDANTS
PRICE: £380

IMMUNITY ARMOUR

This advanced drip supports the body's most complex defence mechanisms. It triggers deep cellular renewal and builds long-term resilience, helping to keep illness at bay and enable performance at the highest level.

KEY INGREDIENTS: SPERMIDINE, SALINE, ELECTROLYTES
PRICE: £380

ANTI-INFLAMMATORY

This powerfully restorative drip helps to address chronic inflammation by calming an overworked system, easing deep-seated tension and supporting recovery. Leave feeling light, free and healed from within.

KEY INGREDIENTS: GLUTATHIONE, ALPHA LIPOIC ACID, B VITAMINS
PRICE: £360

SLEEP AID

This calming infusion prepares your mind and body for healing and restorative sleep. It helps to quiet the nervous system, making the transition into deep sleep effortless, ensuring you wake rested and renewed.

KEY INGREDIENTS: GLYCINE, VITAMIN B6, OPTIONAL ADDITION DSIP
PRICE: £412

JET LAG RESET

This energising drip replenishes the amino acids, vitamins and minerals that physical exertion can deplete. Its unique formulation accelerates muscle repair, helping to restore energy and boost overall wellbeing.

KEY INGREDIENTS: AMINO ACID BLEND, B VITAMINS, MAGNESIUM
PRICE: £396

IV THERAPIES
